

Father of Love

A revelation of God's character of love

FATHER OF LOVE

We share materials regarding the character of our merciful, loving God – and as you read, you'll understand why we are fully convinced that He really is a God of love.

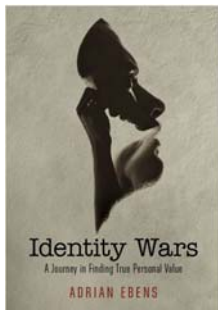

There is so much that people misunderstand about God's character – even committed Christians! Satan has done his best (and often succeeded) in making people believe that God is invested with his (Satan's) own qualities – those of anger, revenge, and murder – rather than the qualities God Himself has told us about in the Bible: love, patience and longsuffering.

"But what about all those stories in the Old Testament where God kills and commands killing?" you may ask. We've asked the same questions – because a God like that doesn't mesh with the God revealed in Jesus in the New Testament – and this cognitive dissonance is disturbing to anyone who is trying to understand why God is a God of love.

What you will find is the result of a 16-year search in trying to learn about God and who He really is. Each book reflects a careful and deep Bible study of the topics at hand. We hope it is as much a blessing to you as it has been to us. There is so much freedom and joy in knowing, with certainty, that our God is truly a God of love, and that we are deeply loved by Him.

SUGGESTED READING ORDER...

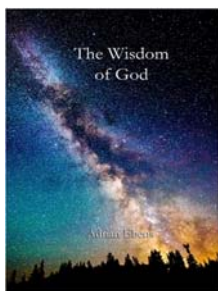

IDENTITY WARS: God wants to give us the certainty that we are loved and of infinite value. This book describes our “identity wars” – from the feelings of worthlessness and of never being enough, to the peaceful acceptance of our real worth – given to us by God through His Son.

ACTS OF OUR GENTLE GOD: A beautiful introduction to the subject of the character of God. God is not forceful or violent. He is gentle and kind. Consider the Bible evidence for a truly loving God. The book demonstrates that the entire Bible, correctly understood, is in harmony with the definitive statement God is love (1 John 4:8).

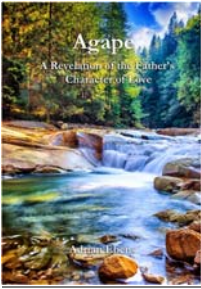

THE WISDOM OF GOD: In the Beginning God designed the universe in a very specific way to ensure closeness and intimacy for His created children. Learn the ancient wisdom of God in how He began the universe and why.

CROSS EXAMINED AND CROSS

ENCOUNTERED: Why was the Cross required and who required it? Why was the Cross necessary for our salvation? Was God’s wrath satisfied by the death of His Son? How does the Cross change human hearts and lead to salvation? How can such an act of violence lead to a life of peace?

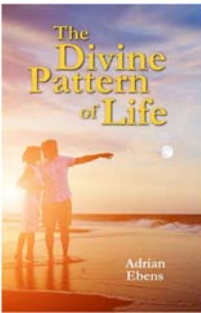

AGAPE: Jesus told his disciple Philip that the Father in Heaven was just like Him in Character. This book shows how this claim by Christ is correct in light of all the violence that appears in Scripture and especially the Old Testament.

COMFORTER: The world is urgently searching for intimacy but the world is drawn to sex, porn, and sensuality to find fulfilment but finding the opposite to true intimacy. What is God's purpose for sexuality? Why are so many men addicted to porn? Who really is our source of comfort and how do we find true intimacy in our relationships?

THE DIVINE PATTERN OF LIFE: The relationship of God the Father and His Son, Jesus Christ, as described in 1 Corinthians 8:6, is the key to understanding the most important truths of the Bible. It's a simple yet profound "formula" for unlocking not only Biblical concepts, but also for understanding other relationships in life.
