Luke 4:3; John 5:18; Phil 2:5-11; John 5:23; 1 John 2:21-23; PP 36

Claims that God's law is restrictive and unnecessary and therefore cannot and should not be kept.

Romans 8:7
2 Thess 2:8

Enforcing a death penalty for breaking the law makes God harsh. Releasing transgressors makes God's word useless. Therefore God cannot be both loving and just, and therefore lacks integrity.
